

Car Loan Pre-approval

4 Easy steps to get into your next ride

Apply for a loan and produce paystubs

We suggest applying for the highest amount you plan to spend so you have room to work with. We can always finance a lesser amount without changing the application!

Find your new car

This is the fun part! Your pre-approval is good for 30 days, and you can shop anywhere you'd like!

Have the dealer send final bill of sale

Once you find your next vehicle, have the dealer (or private seller if you are not going through a dealer) fax the final bill of sale to us at 607-547-1856

Pick up your check and hit the road!

Because you got pre-approved, the final steps are a breeze and can be completed quickly! You're ready to drive your new car off the lot!

You can apply for a pre-approval anytime at <https://www.mobicint.net/lth/login/loanapp>. Just select either "new" or "used" auto and fill out the application. You can also stop by in person to fill out an application, or call us at 607-547-5700 for more information on getting pre-approved
